Missionary Update - Prayer Request:

A couple of weeks ago the Shimansky family was featured in this bulletin describing how they were ministering to the Russian speaking people in the Milwaukee area. They recently wrote us to say that they have had to temporarily leave the ministry to raise the pledges to meet their budget. They are not able to minister at all until their budget has been raised. Pray that the pledges will come in quickly so they can return to the people who need them so much.
