Joys of persistence:

- **Persistent prayer** enables us see the heart of God so that we can connect our will, our desires, needs, and even our wants to His will.

- **Persistence** improves our prayer life and strengthens our faith.

Grandma Joke:

After putting her grandchildren to bed, a grandmother changed into old slacks and a droopy blouse and proceeded to wash her hair. As she heard the children getting more and more rambunctious, her patience grew thin. Finally, she threw a towel around her head and stormed into their room, putting them back to bed with stern warnings. As she left the room, she heard the three-year-old say with a trembling voice,
"Who was THAT?"
