- July 18 and July 25 -The evening services have been designated as worship/prayer meetings. Join us as we worship our God and wait on him in prayer.
- July 18 - Fellowship Night - a time of fellowship will be held after the evening service. We will be having beverages, snacks and desserts instead of the usual full meal. Sign up on the back table if you could bring a snack or a dessert.

**Calling all church members:**

Please join together with us after the morning service next Sunday for an important business/information meeting. Each member should have received a letter with information about two changes in the church by-laws that the church board feels are very important to our church. The board will also be updating members about the work that has been done. Please make the time to attend so that your voice can be heard.

**Transition Week #1:**

Thank you to all of you who helped to make the service last Sunday morning such a blessing: Those who provided the music, led the song service, led the Sunday School children in song, preached the sermon, filled in for a Sunday School teacher, taught Children's or Toddler's church. Having such willing workers in our church family is a blessing from God. I'm sad to say that the Wed. night classes and the WM's meeting had to be cancelled this week because of the extreme weather, but the Wed. night meeting will be held this week as usual, and the next WM's meeting will be held on August 7<sup>th</sup>. This is an unsettling and confusing time for us but because of your prayers and your quick volunteering we are being blessed through it.

**Monday, July 12: Church Board will be meeting at 7:00**
